NOTICE OF OPEN ADJUSTING ENVIRONMENT

SANDERS CHIROPRACTIC utilizes an "open-adjusting" environment for ongoing patient care. Patients are within sight of one another and staff. This environment is used for ongoing care and this is NOT the environment used for taking patient histories, providing examinations or presenting reports of findings. These procedures are completed in a private, confidential setting. The use of this format is intended to make your experience with our office more efficient and productive as well as to enhance your access to quality health care and health information. If you choose not to be adjusted in an open adjusting environment, other arrangements will be made for you.

This notice is effective January 1st, 2011. This notice and any alterations or amendments made hereto, will expire seven years after the date upon which the record was created.
