

Texas Chiropractic Association (TCA) members have access to medical, dental and vision insurance programs that are available to chiropractors in the 16 states listed below.

First established in 2015 with the Ohio State Chiropractic Association, the plan rapidly spread across the country from the Midwest .

### Our mission

From the start, our mission has been to provide another group medical insurance option to chiropractors.

### Who is eligible?

The program is available to chiropractor members of the TCA, their employees and dependents. Chiropractors who are not currently members of the TCA may complete an application and receive a quote, but membership in the TCA is required to participate and maintain coverage.

### What plans are available?

There are 16 medical plan options; 4 are health savings accounts and 12 are traditional designs with co-pays and a Rx card. The networks available include Multiplan PHCS and First Health. After completion of the application, members are provided quotes and plan outlines to determine the program that works best for their needs. We can assist with plans as small as two employees; spouses who are involved in the business are considered an employee.

### When and how can I apply for coverage?

Since we allow members to start coverage any month of the year, now is a great time to get your quote. Contact: **Mark Ritchie**, RMFS Benefit Solutions, LLC, by phone: 614-214-8334, email: [mark.ritchieohio@gmail.com](mailto:mark.ritchieohio@gmail.com) or fax: 614-553-7763.
