## FINANCIAL POLICY

Our goal is to provide the highest quality of healthcare possible for our patients. In order to achieve this goal, we need your commitment as well.

We urge our patients to follow the doctor's recommendations for care. Please keep your appointments as scheduled or call our office within 24 hours to make any changes. In order to attain the level of achievement we both desire, care must be followed.

I authorize Carabasi Chiropractic Center to release any information deemed appropriate concerning my physical condition to any insurance company, attorney, or adjuster in order to process any claim for reimbursement of charges incurred by me. I authorize the direct payment to Carabasi Chiropractic Center of any sum I now or hereafter owe by my attorney out of settlement of my case, and by any insurance company obligated to make payment to me or Carabasi Chiropractic Center based in whole or in part upon the charges services received. I hereby appoint Carabasi Chiropractic Center authority to endorse and cash checks, drafts, or money orders made payable to the undersigned or as co-payee with this clinic for payments due for services rendered on behalf of the undersigned by Carabasi Chiropractic Center.

In order to file your claims in a timely manner, we need current, accurate insurance information for you and your dependents. We will do our best to confirm your eligibility and level of insurance coverage for care; however, it is ultimately your responsibility to know your own insurance benefits in relation to what your insurance covers and what it doesn't. Should your insurance carrier determine that any or all of our services are ineligible for payment, you will be billed directly for those services.

Late payment for non-coverage, deductible, and co-payment may be subject to an 18% annual finance charge, which will be added monthly to that account. If you have any questions about our financial policies, please ask to speak to our financial officer. If you need to make special arrangements, please ask. We will never deny care to anyone based solely on ability to pay. We will do everything possible to meet your financial needs.

Advanced Beneficiary Notice of NON-Coverage (ABN) Your health insurance does not pay for everything, even some care that you or your health care provider have good reason to think you need. We expect your health insurance will not pay for items and services such as your initial visit and any chiropractic care deemed maintenance or wellness care by your carrier (as well as other items that may arise in the future). Signing below signifies that you want these items and services, but understand that they will not be billed to your insurance company. Therefore, you are responsible for payment and cannot appeal to your insurance carrier as they were not submitted and/or billed to them. This notice gives our opinion, not an official Medicare or other insurance carrier's decision. If you have other questions, please ask our front desk. Signing below means that you have received and understand this notice.

I hereby authorize doctors and staff at Carabasi Chiropractic Center to treat my child as deemed appropriate. At Carabasi Chiropractic Center, we do not diagnose or treat any disease or condition other than vertebral subluxation and the doctor/clinic will not be held responsible for any pre-existing medical conditions.

I certify that the above information is correct to the best of my knowledge. I will not hold any doctor or any staff member of Carabasi Chiropractic Center responsible for any errors or omissions that I may have made in the completion of this form. Chiropractic, as well as all other types of health care, is associated with potential risks in the delivery of treatment. While chiropractic treatment is remarkably safe, you need to be informed about the potential risks related to treatment to allow you to be fully informed before consenting to treatment. Please inquire if you have further questions. Chiropractic is a system of health care delivery and therefore, as with any health care delivery system, we cannot promise a cure for any symptom, condition, or disease as a result of treatment in this office. An attempt to provide you with the very best care is our goal, and if the results are not acceptable, we will refer you to another provider who we feel can further assist you.
