New Beaverton Networking Group

Introducing True Potential Networking

By Dr. Bryan Bell

True Potential Beaverton is excited to announce its newest series of community events, "True Potential Networking."

For a lot of people, networking can be intimidating and frustrating, especially for the introvert. Walking into a room full of complete strangers can be scary, especially for the average person! That's why we've created a unique system of networking to ensure that you are "mixing it up" with the right person and the other people in the group can find you fast. No need to work the whole room, starting at 6:45, we'll kick off "SPEEDmeet," a round table-style format of getting to know who you're about to network with, perfect for networking efficiency.

Join our family, discover your true potential and check it out online: tpcportland.com (click "events"). See you there!

Location: TPC Beaverton, 8333 Southwest Cirrus Dr., Building 18, Beaverton

Times: 6:30 (sharp) -7:30 pm on the second and last Wednesday of the month, ongoing

A Spectacular September On Tap At Aloha Community Library

By ACLA Staff

Students will find many resources at the Aloha Community Library to complete homework projects as the new school year begins! Use our public computers or free wifi to do research and print out projects. Check out our collection to find the perfect book for a report. Our friendly volunteers are ready to help answer questions.

Teens and adults can join us on Friday, September 19th, at 6:30pm, to learn how to make beautiful flowers out of book pages. Local paper art entrepreneur and library volunteer Betsy will demonstrate how to make various types of paper flowers. Ranging from super-easy to a little more difficult, there will be a flower that everyone can make!

Our super-huge library book sale returns September 25th-27th! Our new sale location is right around the corner from the library in the former Tuesday Morning store (17455 SW Farmington Rd, Suite 26A – facing Kinnaman Road between US World Class Taekwondo and The Peppermill Restaurant). Aloha Community Library Association members can attend a special preview sale on Wednesday, September 24th, 6pm-7pm. Not a member yet? Sign up at the library. Membership dues are

\$15 per year.

Visit alohalibrary.org for sale hours and information about other library programs.

Aloha "HUB"

will meet to determine what type of ongoing leadership would work for Aloha citizens to continue to interact with Washington County as they implement the changes identified in the Aloha-Reedville study. The ABA will certainly be involved as this community driven collaboration continues to take shape.

BIZ MIX:

ABA will host a quarterly business mixer - BIZ MIX on Thursday, Sept 18th from 4-6PM at The Edwards Center. Topic will be "Wine and Wealth" with Dennis Adkins from Key Bank discussing issues regarding credit - how to protect it, how to build it, how banks can support your efforts in building wealth for the future. RSVP's for the event should be directed to our Executive Secretary at kathy@fit4lifeoregon.com no later than Sept 15th. Members and their guests are welcome to attend.

Special Event:

October brings a special event to prepare us for DISASTER!

What would we do in the event of an earthquake, terrible wind storm, or other events that we see and hear about happening in other places? "Resilience-Aloha Preparedness Expo" will be Saturday, October 18th from 10AM to 2PM at Mt. View Middle School. Free educational event. Mark your calendar and plan to attend!

Monthly Meeting:

Join us for our next monthly meeting on Thursday, Sept 11th to hear from Wally Johnston, local author, educator, and chaplain about the value that volunteering brings to local communities. Details at our ABA website. Meetings are the 2nd Thursday of each month, 11:30am @Peppermill Restaurant (17455 SW Farmington Rd)
