## THE POSITION – A TRANSITION GEARED FOR YOUR DEVELOPMENT

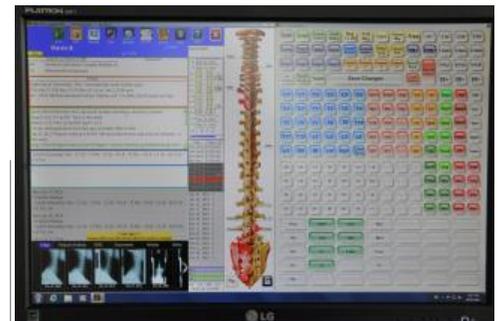

The successful applicant needs to be an open minded, life long learner willing to spend time honing his\her communication and chiropractic skills. This opportunity has the ability to mentor you to serve many people and become a successful chiropractor based on the methods and philosophy taught and implemented at Zavitz Family Chiropractic. The position is two fold 1) As an Exam Doctor transitioning to an Associate 2) As an Associate Doctor.

One of two rooms available in 1600 sq ft office for an associate to adjust in

As an exam Doctor at ZFC you are learning the process of building your own practice immediately by honing your communication, presenting and outreach skills. Dr. Zavitz will work with you to enable you to give a great lay lecture in your community and give you the means to communicate chiropractic in an efficient

and effective manner. This is a salaried position with an additional split arrangement as you begin seeing your own patients. As you begin attracting patients through combined and individual outreach you will be ready to teach and communicate life long chiropractic care to the individuals you contact and have the tools necessary to help them and guide them through corrective care leading to life long patients **under your care**. As an exam doctor you have access to a mentoring program as part of the team of ZFC and are able to learn from some of the most successful chiropractors in Canada. This experience is an incredible opportunity for growth and development of you personally and professionally. The exam doctor position is a paid salary position, that allows income for you immediately, while training professionally at the same time and beginning to promote yourself in the community to attract patients to you. This position also works well for a new grad while awaiting board exam results. This position develops into an associate position that has a base salary plus percent split for patients seen on your own. This exam doctor position is important for many reasons, it allows you to see the method of practice at ZFC to see if you are a good fit for the team.
