## New Patient Appointment

---

You are receiving this email from Marcon Chiropractic & Wellness Center because you have recently scheduled a New Patient Appointment. We have allocated an hour for your Consultation, Comprehensive Examination and Treatment. Please read the information provided below to make sure we have everything we need to get you started right away.

- We have attached your New Patient Paperwork. Please fill it out ahead of time to maximize your appointment time with the Doctor. You need not fill in information on insurance. We will get that information from your card upon arrival.
- You will need your Insurance Card, or, in the case of Workers' Comp and Personal Injury Cases, paperwork verifying your Claim Number.
- If you wish Insurance Verification prior to your appointment, contact our office and we will accommodate your request.
- In addition to your Insurance information, you will need to bring a photo ID.
- Patients under the age of 18 must be accompanied by a Parent or Guardian. Patients over 16 years of age may come alone to follow-up appointments.
- Please bring disks or reports of recent x-rays or special imaging on your first appointment.
- If you are unable to make your appointment, we would appreciate at least 24-hour notice. We understand in rare cases this may not be possible, but prompt action allows us to schedule other patients.
- If you fail to arrive or do not cancel your Initial Appointment within 24 hours of your scheduled appointment time, you will be required to pay a \$100 cancellation fee before you will be allowed to reschedule another appointment.
- If you were referred to our office, we would love to know by whom so we can show our appreciation.

If you have any question prior to your appointment, feel free to call our office at (513) 474-1111 or email us at [contact@marconchiropractic.com](mailto:contact@marconchiropractic.com)

We look forward to meeting you in person and helping you Move and Feel Better.

Sincerely,

Kathy D'Agostino  
Office Manager

**MARCON  
CHIROPRACTIC  
& WELLNESS CENTER**

All healthy relationships are built on mutual trust and respect. I, as the Doctor, will make every effort to stay on schedule and give you the time and attention you need. In return I ask that you the patient to:

1. Arrive on time for scheduled appointments.
2. Dress appropriate for Treatment. The area of chief complaint should be easily accessible. *We do have disposable shorts for special circumstances.*
3. Call us when you are running late or unable to keep the appointment.
4. If you are unable to make a scheduled appointment we ask that you notify the office no later than 12 hours in advance of the appointment. Each patient is afforded the courtesy of a single missed/non-canceled appointment-Everyone forgets occasionally. If you miss a second scheduled appointment without proper notification, you will **not** be assessed a fee but we will not reschedule you for treatment until you meet with someone from our office to explain your circumstances. If we all are in agreement that you will be able to manage appointments moving forward we can resume scheduling.

No amount of "Missed Appointment" fees can recoup time and despite the power of Chiropractic Care, it doesn't work if you don't show up.

5. If you have a complaint or concerns TELL US. If you like the way you feel TELL OTHERS. Both are indispensable to our success.

*David J. Marcon, D.C.*
