

DISCOVER CHIROPRACTIC
Seth Anderson, D.C.

Our Patients Speak:

Since your response to chiropractic care has been so good, we would like to give you a chance to share your story with others who may have similar health situations to yours. By informing them of how chiropractic has helped you, you may encourage them to give it a try. What could possibly be better than helping others feel better and regain their health in the same way that you have? We appreciate your help in telling others about chiropractic. Like everything else in life, have fun with this! Remember this is only an outline to get you thinking; **it's *your* story!**

1. WHAT WERE YOU SUFFERING FROM? Did it have a medical diagnosis? In your own words talk about who, what, when, where, and how as well as anything else you think may be important.

2. WHAT STEPS HAD YOU TAKEN PREVIOUSLY TO GET HELP? (Please do not mention other doctors by name!)

3. HOW DID YOU FIND DISCOVER CHIROPRACTIC? Did somebody tell you to give it a try? Did you just drive by one day and get curious? If you had any doubts or were skeptical about trying chiropractic, please throw those in there, too! There are a lot of people who probably think the same things!

4. IN YOUR OWN WORDS, WHAT DID DR. ANDERSON DO? What were your first few visits like? What kind of recommendations did we give you? How did you feel about the exam and x-rays? (see lines next page)

5. WHAT DO YOU LIKE TO DO WITH YOUR FREE TIME? Do you have any hobbies? Did you health issues interfere with these things? Did chiropractic help change that?

6. HOW HAS YOUR LIFE IMPROVED SINCE? Mention specifics or generalizations, talk about how long it took to see results.

7. ADD WORDS OF ENCOURAGEMENT FOR OTHERS! You are speaking to countless patients, friends and community members. So, tell them how you feel!

We like to display our testimonials through shadow boxes, picture frames, or in our testimonials binder. This is completely your choice, so stretch your imagination! We will type the information for you. So, just gather any other goodies you can bring us and decide how you want it set up! If you want to see some of the other testimonials we have received, just ask! They are all proudly displayed in our office.

THANK YOU FOR YOUR HELP!
