I understand and agree that health and accident insurance policies are an arrangement between my insurance company and myself -- not between my insurance company and this office. I agree to pay my estimated patient responsibility and further understand that the estimated responsibility is neither a guarantee of payment by my insurance company, nor necessarily an accurate reflection of my actual responsibility as determined by my insurance company upon processing of my claims. In the event that my insurance company does not pay on my charges at the estimated rate or within a reasonable period of time, upon request of this office I will immediately pay the balance owing on my account unless otherwise agreed to in writing. I understand that an interest charge may appear on all accounts over 90 days. I further understand and agree, that if this office must take any action to collect an outstanding balance on my account, I will be responsible for payment and will reimburse this office for all costs of such collection efforts, including, but not limited to, all court costs and attorney fees.

I authorize this office to release any medical information relating to my treatment to any insurance companies which may be responsible for paying benefits to me, and to any attorney s who may be representing me due to my condition, and to complete any usual and customary reports and forms at no charge to assist in collecting from my insurance companies, attorneys, or other payers.

I have read, understood, and agree to the foregoing. The information which I have provided is true and complete to the best of my knowledge.

ASSIGNMENT AND CONVEYANCE OF LIEN INTEREST

I hereby execute and provide this **Irrevocable Lien Interest and Assignment of Proceeds** in favor of the above named doctor and/or the doctor's designated treating facility. This **Irrevocable Lien Interest and Assignment of Proceeds** shall apply to all monetary proceeds from any third party liability insurance policy and/or all monetary proceeds from any PIP/medical payment insurance policy to which I am entitled, and from which I am to paid in the form of an insurance settlement(s), claim(s), judgment(s), or verdict(s) resulting from the above identified accident (collectively the "insurance proceeds").

The Insurance Carrier is instructed that pursuant to this **Irrevocable Lien Interest and Assignment of Proceeds** the total dollar amount of all sums which I owe on account to the above named doctor and treating facility, as evidenced by the medical bills submitted by the doctor and/or treating facility, shall be paid directly to the above named doctor and treating facility by the insurance carrier out of those settlement proceeds to which I am entitled, or withheld from any settlement or award to which I shall be entitled and thereafter be paid directly to the above named doctor and/or treating facility.

As consideration for my execution of this **Irrevocable Lien Interest and Assignment of Proceeds** I represent that said doctor and/or treating facility has provided me professional services upon my request, that I am aware of the nature and expense of all such services so provided and that as consideration for his forbearance of her legal right to require payment by me at the time such services were rendered, said doctor and treating facility relied upon my express declaration and intention to execute and instruct that this **Irrevocable Lien Interest and Assignment of Proceeds** shall apply to all insurance proceeds to which I am entitled and direct that the amount of such proceeds required to satisfy my outstanding balance with said doctor and/or treating facility be remitted directly to the doctor and/or treating facility, at such time as I receive an insurance settlement or other monetary settlement/award.

In the event my insurance settlement proceeds are paid directly to my attorney, I hereby irrevocably instruct my attorney to withhold all such sums and amounts as are determined to be owed, due and payable on my account to such named doctor and treating facility and remit payment of all such sums directly to such named doctor and/or treating facility upon receipt my settlement award(s).

I fully understand and stipulate that I am ultimately and directly responsible to the doctor and/or treating facility for all medical bills incurred by me for those services rendered to me, or on my behalf or request, and that this agreement is made solely for the benefit of the doctor and treating facility, as additional protection and in consideration of the treating facility's agreement to forgo immediate collection of payment for such services rendered.

Informed Consent -- Chiropractic Care

Dr. Misty Durbin D.C. License #: 10083

Patient's Name: _____

Instructions: This document relates to your Informed Consent for care. Please read carefully before signing.

General. I, the below-signed patient/individuals, have read this document in its entirety and understand the potential benefits and risks of the Care which you are recommending. I understand that there may be other forms of care which I may wish or need to seek provided by other health care practitioners. I also understand that there may be significant risks of not seeking any care for my condition.

I understand that while the Dr. Misty Durbin D.C. is the "Rendering Provider," at any moment, other associates or staff in your office with appropriate scopes of practice and training may need to provide the Recommended Care based on factors which are not necessarily within anyone's ability to predict. You have made it clear that every health care practitioner who is licensed under state law may have different scopes of practice relating diagnoses and treatment and that the licenses of the primary Rendering Provider are listed below.

I do not expect you to be able to anticipate and explain all risks and complications, or forms of treatment, and I wish to rely on you to exercise judgment within your scope of practice during the course of the Care Plan which you feel at the time based upon the facts known. I understand that in rare cases, underlying physical defects, deformities or pathologies may render me susceptible to injury. It is my responsibility to make known before and throughout the Care whether I am suffering from any latent pathological defects, illnesses, or deformities that would otherwise not come to your attention, as well as any pathological defects, illnesses, or deformities I may be experiencing.

Possible Risks of the Care; Alternatives

Chiropractic manipulation / adjustment. As with any healthcare procedure, I understand that there are certain complications, which may arise during chiropractic manipulation, and that those complications include: fractures, disc injuries, dislocations, muscle strain, Horner's syndrome, diaphragmatic paralysis, cervical myelopathy and costovertebral strains and separations. Some types of manipulation of the neck have been associated with injuries to the arteries in the neck leading to or contributing to serious complications including stroke. Some patients will feel some stiffness and soreness following the first few days of treatment. I understand that fractures are rare occurrences and generally result from some underlying weakness of the bone. I also understand that stroke and other complications are also generally described as "rare."

X-Rays. I have been advised that x-rays can be hazardous to an unborn child. To the best of my knowledge. I am not pregnant.

Other Potential Alternatives. I understand that other treatment options for my condition may include: Self-administered, over-the-counter analgesics and rest; medical care with prescription drugs such as anti-inflammatories, muscle relaxants and painkillers; hospitalization with traction; and surgery.

Contraindications to Manipulation / Adjustment. I understand that you will not give me an adjustment / manipulation, x-rays, modalities, or therapies if you feel that such are contraindicated. In the event that the Care does not include such procedures, I have

discussed all contraindications with you and fully understand them.

Definitions. "You" and "office" refer to any provider who renders care to me at the Location above. "Care" includes all care outlined in my Care Plan as well as any other care I receive from you in the future, including care related to other conditions.

Patient's Consent. I have thoroughly discussed and reviewed my recommended Care with you, as well as your examination, diagnoses, and thoughts regarding my condition, and also all of the information in this Informed Consent. I have had ample opportunity to explore other potential forms of care, have asked you all of the questions that I have, and have no additional questions. I voluntarily and knowingly elect to receive the recommended Care.
