I have seen significant improvement in  
x-rays of spine + neck. There is now a  
greater range of motion in the neck,

Name Bjarnes Smith

Date 1/16/12

Reason For Beginning Chiropractic Care neck pain from past auto accidents, poor range of neck motion

How Long Were You Experiencing These Problems 30 years

What Was It Like At It's Worst And How Did It Affect Your Life I could not tolerate jogging & running, frequent headaches and sore neck. Range of motion of neck was decreasing

Previous Attitude Or Experience With Chiropractic I saw one chiropractor about 2 years prior. He did not take enough x-rays to get a full knowledge of the extent of neck damage

Past Treatments And Results The past Chiropractor's adjustments made my neck sore, although it did improve range of motion

What Progress Have You Made Since Beginning Chiropractic Care Better flexibility in the hips and spine and neck. The curve of neck seems to be improving

What Side Benefits Have You Experienced And How Has This Affected Your Life I have a much better knowledge of what I know chiropractic care can add benefits to health of neck, spine and discs

I Was Referred To This Office By John

Additional Comments About Our Office And The Care You Have Received I have been impressed with Dr. Watson's knowledge and now have hope that my neck condition can be improved. I recommend this clinic.

## **SUCCESS STORY**

Through adjustment, traction and physical therapy under Dr. Wotzen's care, I have undergone changes in the curvature of neck & spine which are visible on my before and after X-rays. More flexibility in neck and increase in range of motion. More flexibility in hips and greater ease of motion. I am happy with my progress.

I WAS EXPERIENCING MODERATELY SEVERE INTERMITTENT PAIN  
IN MY LEFT SHOULDER BLADE AREA. THESE PAINS WOULD FLARE UP  
FOR NO APPARENT REASON AND CAUSE SEVERE HEADACHES AT THE END  
OF MY WORK DAY. SINCE STARTING TREATMENTS, THE PAIN HAS BECOME  
LESS FREQUENT AND LESS INTENSE. I LOOK FORWARD TO CONTINUING  
TREATMENT FOR MY RIGHT SHOULDER AND LOWER BACK.
