I hereby authorize and direct you, my attorney, to pay directly to said doctor such as may be due and owing him for medical service rendered to me, both by reason of any other bills that are due to this office and to withhold such sums from any settlement, judgement or verdict as may be necessary to adequately protect said doctor. And I hereby further give a lien on my case to said doctor against any and all proceeds of my settlement, judgement, or verdict which may be paid to you, my attorney, or myself as the result of the injuries for which I have been treated or injuries in connection therewith.

I agree never to rescind this document and that a recession will not be honored by my attorney. I hereby instruct that in the event another attorney is substituted in this manner, the new attorney honor this lien as inherent to the settlement and enforceable upon the case if it were executed by him.

I fully understand I am directly and fully responsible to said doctor for all medical bills submitted by him for service rendered me and that this agreement is made solely for said doctor's additional protection and in consideration of his awaiting payment. And I further understand that such payment is not contingent on any settlement, judgement, or verdict by which I may eventually recover said fee.

LAKEWOOD CHIROPRACTIC
2222 University Blvd. West, Jacksonville, FL 32217
Telephone (904) 733-7020

NOTICE OF WAIVER AND RELEASE CONCERNING MEDICAL NEGLIGENCE INSURANCE.

THIS AGREEMENT is made between LAKEWOOD CHIROPRACTIC, their physicians, agents, employees, servants, or any of the foregoing, referred hereinafter as “Doctor” and ________________________________, referred to hereinafter as the “Patient”. It is the intention of the parties to this agreement to bind not only themselves, but also their heirs, personal representatives, guardians or any persons deriving claims through or on behalf of the patient.

It is understood by the patient the he or she is not required to use the aforesaid practice or any physician named for physical medicine and that there are numerous other physicians in Northeast Florida who are qualified to do physical medicine.

It is further understood, that in the event of any controversy or dispute, which might arise between the Doctor and the patient, regardless of whether the dispute concerns the medical care rendered, including any negligence claim relating to the diagnosis, treatments or care of the patient, or payment of medical fees, or any other matter whatsoever, then the parties agree that the dispute shall be resolved by arbitration as provided by the Florida Arbitration Code, Chapter 682 (Florida Statutes). This arbitration shall be in lieu and instead of any trial by Judge or Jury. Each party shall choose one arbitrator and the two arbitrators shall choose a third arbitrator. The panel of arbitrators shall hear and decide the controversy, and the decision shall be binding on all parties and may be forced by a court of law necessary.

In the event that either party to this agreement refuses to go forward with arbitration, the party compelling arbitration reserves the right to proceed with arbitration, the appointment of the arbitrator and hearings to resolve the dispute, despite the refusal to participate of the absence of the opposing party. The Arbitrator shall go forward with the arbitration hearing and render a binding decision without the participation of the party opposing arbitration or dispute his or her absence at the arbitration hearing.

<u>Limitation of Damages</u>
Patient agrees that in the event of any dispute with the Doctor, for any reason whatsoever, including any negligence claim relating to the diagnosis, treatment, or care of the patient, patient’s non-economic damages shall be limited to a maximum, of $100, 000 per incident, and shall be calculated on a percentage basis with respect to capacity to enjoy life as provided by Florida Statutes Section 766.207. For example, if the patient’s injuries resulted in a 50% reduction in his or her capacity to enjoy life, this would warrant an award of no more than $50, 000 in non-economic damages. This limit applies regardless of the number of claimants of defendants in the arbitration proceeding.

Under Florida Law physicians are required to meet certain financial and /or insurance obligations to patients regarding medical malpractice and/or medical negligence. A physician may either purchase medical negligence or otherwise demonstrate financial responsibility consistent with Florida law to cover claims for medical negligence up to a required statutory amount.

Your physicians have elected not to purchase insurance beyond that which is minimally required under Florida law. The purpose of this notice/waiver and release is specifically to condition the provision of care being rendered by your physician to you. On agreement that you will request, receive, and engage such care only if you waive any right to claim or bring an action against your physician for damages beyond the insured amount. By signing this document, you are knowledgably, fully, and forever waiving any and all rights you may have now or have in the future to claim damages against your physician or Lakewood Chiropractic in excess of the amounts for which the physician and Lakewood Chiropractic may be insured.

The patient has had an opportunity to read this Doctor-Patient-Agreement, or to have it read to him or her necessary. The patient understands English or has had the Doctor-Patient-Agreement translated for him of her by_____________________________. The patient has had an opportunity to ask questions about this Doctor-Patient-Agreement. The patient understands this agreement and has no unanswered questions. The patient has not been coerced or compelled to sign the agreement and does so of his or her own free will. **BY SIGNING GTHIS AGREEMENT I ACKNOWLEDGE THAT I HAVE CAREFULLY READ, UNDERSTAND, AND AGREE TO THE ABOVE TERMS AND CONDITIONS.**

If you do not agree to this wavier and release you must signify such disagreement by refusing treatment and care offered by your physician and seeking another doctor for your health concerns.
