

JOIN US FOR THE FALL 2017 CAREER & NETWORKING FAIR

We're excited to kick off the Fall 2017 Career & Networking Fair hosted by the Student Services and Alumni Relations offices. We need your help to make it a success! If you are currently looking for a chiropractor to join your team or would just like to meet our students and network with your future colleagues, please consider joining us.

For those who provide a service or product for the chiropractic community, the Career & Networking Fair provides a forum to interact, share and promote your products and services with students, faculty, staff and chiropractors.

We will provide you with a 8' table, 2 chairs, table cloth, and lunch! Black table cloths are available upon request. Please bring promotional items, banners, and/or information to put on display.

Our main goal is to help our students network, stay connected with other chiropractic doctors and get hired! If you have any questions, please contact Taylor Ballard at (281) 998-5711 or tballard@txchiro.edu.
